

ICNF 2017

3rd International Conference
on Natural Fibers

Advanced Materials for a Greener World

21. 22. 23 June 2017 | Braga, Portugal

Fibrenamics International Platform from University of Minho is organizing the 3rd edition of the International Conference on Natural Fibers. This international event will take place from 21st to 23rd June 2017 in Braga, Portugal.

ICNF is worldwide recognized as the leading event regarding scientific innovation on Natural Fibers.

ICNF 2017 will be an excellent opportunity to get in touch with the most important technical and scientific novelties of Natural Fibers, the future trends of innovation in this field, market opportunities and to present, within the Natural Fibrenamics Green Award, your own innovative products and solutions.

PREVIOUS EDITIONS IN NUMBERS

2013 - Guimarães

2015 - Azores

2017 - Braga

PARTNERS

KEYNOTE SPEAKERS

Alain Dufresne
Grenoble Institute of Technology, France
"Cellulose Nanomaterials and Polymer Nanocomposites"

Sabu Thomas
Mahatma Gandhi University, India
"Manufacturing of Nanomaterials from Agro-Wastes and Production of Eco-Friendly Bio-Nanocomposites"

Alexander Bismarck
PaCE, Imperial College London, UK
"Are Hierarchical Composite Structures the Route to Improve Properties of Truly Green Composites?"

INVITED SPEAKERS

Jörg Müssig
University of Applied Sciences, Germany
"Bio-inspired and bio-based fibre-reinforced composite"

Ryszard Kozlowski
Natural Fibres and Medicinal Plants, Poland
"Bast Plants – Flax and Hemp Yesterday, Today and Tomorrow"

Rajesh D. Anandjiwala
CSIR Materials Science and Manufacturing, South Africa
"Natural Fibres for Technical Applications in Value-added Products"

Henri Yi Li
School of Materials, University of Manchester, UK
"Natural Fiber Based Nano Functional Materials and Applications"

Leonardo Simon
Department of Chemical Engineering,
University of Waterloo, Canada
"Natural Fiber for Automotive Applications - Case Studies"

SPONSORSHIP OPPORTUNITIES

SISAL
1000 €
3 registrations at the conference which includes conference documentation, coffee breaks, lunches and access to all the lectures

WOOL
3000 €
4 registrations at the conference which includes conference documentation, coffee breaks, lunches and access to all the lectures 1 exhibition stand*

SILK
5000 €
5 registrations at the conference which includes conference documentation, coffee breaks, lunches and access to all the lectures 1 exhibition stand* Company advertising material into the conference documentation Rooms, coffee breaks, lunches or conference dinner naming in the Conference program

* Exhibitors are entitled to a 6m² booth equipped with a small table and two chairs, access to electricity and internet and the name of the company in the list of the conference sponsors

BECOME A SPONSOR	Send us your application to secretariat@icnf2017.fibrenamics.com
SINGLE REGISTRATION	For a single registration please go to www.icnf2017.fibrenamics.com/registration
SHOWCASE	Present your own innovative products and solutions at the Natural Fibrenamics Green Award at www.icnf2017.fibrenamics.com/awards
